

About FRNCA

The Flanders Riverside & Northampton Community Association was formed in 2001. The need for an Association stemmed from specific neighborhood concerns such as unfair taxes, blight and the neglect from the Town of Southampton. In the past 9 years our Three Hamlets have seen many changes and accomplishments. FRNCA has helped steer and influence the Town Of Southampton, County and State officials in accomplishing all of these feats:

- Revitalization of Riverside Traffic Circle: Phase One Complete
- Organize local Blood, Food, Coat & Toy Drives
- FRNCA Academic Scholarship Fund
- Flanders Little League Team Sponsorship
- Flanders Road Highway Improvements
